

Lashes & Kurls
BOUDOIR PHOTOGRAPHY

My name is Lindsey, and I am the heart and soul behind Lashes & Kurls Boudoir Photography. I combine a passion for photography with a desire to help women discover their inner and outer beauty.

Most of us women struggle with self-image. Why do we struggle with this? Because we internalize the unrealistic physical expectations that are portrayed through the media and often feel dowdy, unappealing, and inferior. I am here to tell you that you're lovely.

Do you know that you are beautiful? Are you still trying to fit into an impossible mold, thinking you could be perfect if you could just fix one little thing?

You won't find perfection by losing a few more pounds or trying to hide each imperceptible blemish. You are perfectly beautiful now. Let's celebrate THIS moment with an incredible shoot!

PRE-SHOOT PREPARATION

Once you book your shoot, you'll receive our welcome email and questionnaire. In the email, we'll share tips for preparing for your photoshoot. It's all optional and super easy stuff like, drink more water, arrive with a clean face for makeup application, etc. We'll also send you our super fun questionnaire. This will help us to tailor your shoot. We also LOVE when our clients share images that they love! If you have time, create a Pinterest board and pin some photos that you're drawn to. Once you're done, you can send us the link to your board! If you don't have time, no worries at all.

When you arrive for your shoot, we'll go over the photos, and you can tell me which looks you love best.

THE DAY OF YOUR

Shoot

"OUR BOUDOIR CLIENTS SAY WE MAKE IT SUPER EASY AND THEY LOVE THE RESULTS!" - *Lindsey Kuncy*

Once you arrive, our friendly staff will welcome you to the studio and walk you through our photo release form. We want to make sure you're 100% comfortable. Then our professional hair+makeup artist will create the perfect look for your session! Next, we help you with your outfit selection, use flattering lighting, and will pose you down to your fingertips! As you can see, there's nothing to worry about, we've got you covered!

With our all-female photography staff, you're in good hands, and we can't wait for your shoot!

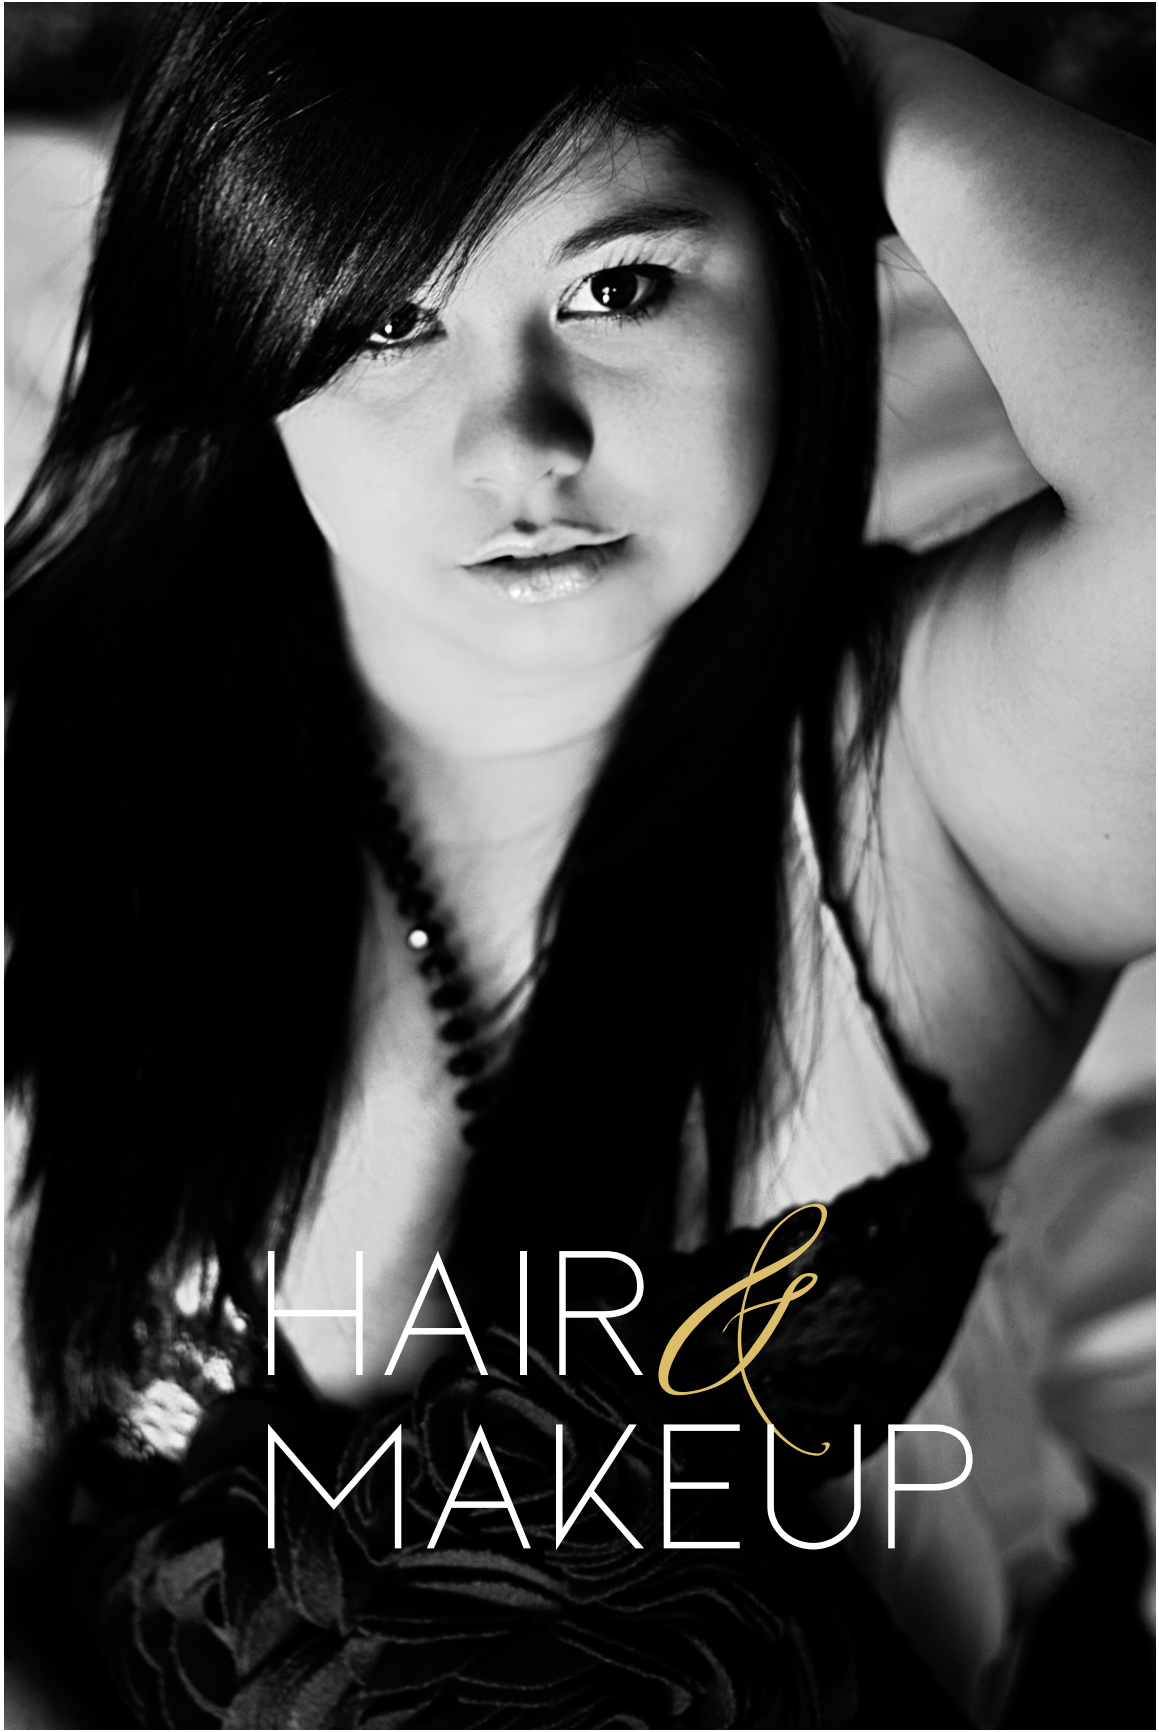

We'll start off with the simplest pose in your most comfortable outfit and coach you on exactly where to look, how to smile, etc. You'll never wonder, "where should my hand be, does my face look good, or am I doing this right?" We're super clear on exactly what to do, and we'll even show you photos along the way so you can be confident in knowing how amazing you look!

Once we've gone through all the outfits we want to shoot, it's time for us to edit your gorgeous photos and for you to take a little relaxing break. During the 90 minute break following your shoot, you are invited to hang at the studio, leave to run errands, grab a bite to eat, get coffee, anything at all.

After you arrive back after the 90 min break, we'll be ready to view your gorgeous photos! Being able to view them the same day is so amazing! You won't need to wonder for a week if your photos were good or not, you'll be confident in knowing right away how amazing you look!

HAIR *&*
MAKEUP

On the day of your shoot, your stylist will be prepared to create the perfect look for you to help you feel gorgeous!

Professional hair and makeup are an essential part of the boudoir photography experience; it can make or break your photoshoot, and that's why we only work with the best makeup and hair artists! Not only do they know how to give you the perfect look you're envisioning, but most importantly, they know how to do makeup for the particular lighting and retouching techniques I use.

When you feel fabulous, that confidence exudes into your photos. Confidence is truly a beautiful thing. Confidence is what we all need. Some of us forget what it's like to feel beautiful and strong along the way. We get too busy with our lives, our family, and our job. Confidence, self-acceptance, and personality are what I bring out in the women I photograph.

Do you have a specific look in mind? Feel free to create a Pinterest board of inspiration and send the link to hello@lashesnkurls.com.

PLANNING YOUR

Outfits

"ONE OF THE MOST COMMON WORRIES ABOUT A BOUDOIR SHOOT IS WHAT TO WEAR - SEXY LINGERIE TO A COMFY T-SHIRT. THERE IS NO RIGHT OR WRONG CHOICE." - *Lindsey Kancy*

It can be helpful for you to make a Pinterest board with outfit ideas that you love! From there, we can guide you towards the best websites, which outfits are flattering, which will photograph well, etc.

If you have lots of choices and are having trouble narrowing them down, then we recommend you bring a suitcase full of stuff!

Yes, I'm not joking. We recommend you bring lots of options when you arrive and we can help you narrow them down once you are here for your shoot. On average, we can easily photograph three outfits without feeling rushed during the session.

WE ARE EXPERTS AT CAPTURING
YOU IN THE MOST FLATTERING LIGHT.

Posing

We have photographed hundreds of sessions with overjoyed clients, and we know exactly how to pose you! You don't need to worry about a thing, you need to simply show up for your session and trust us to walk you through each step.

We have years of training in posing to ensure that you are always posed in the most flattering ways and under the most flattering lighting. Once it's time for your shoot, we will ask you to do simple things such as, 'bring that shoulder towards me, tilt your chin down a bit, now look up at me with your eyes, put your hand here, etc.'

It's super simple, and again, you don't need to do anything to prepare for this.

"SIMPLY SHOW UP FOR YOUR SHOOT, LET US PROS TAKE CARE OF IT, AND YOU WILL LOVE THE RESULTS!" - *Lindsey Kaney*

Retouching

You can rest at ease knowing that we've been in business for over 10 years and our customers love our editing skills! They love it because we're not heavy-handed, we're not going for a plastic barbie-doll skin look. We are simply removing those unwanted blemishes and leaving the image looking like your beautiful self!

BEFORE & AFTER

Each image you order will come skin-retouched (removal of any blemishes, scars, cellulite, stretch marks, etc.)

You have the final say in how much or how little we edit.

YOUR *Order*

Isn't it awesome that you'll get to view and order your favorite photos the same day as your shoot? Our clients love that they don't have to wait to see their gorgeous images!

First, we'll start out with a slideshow of your portraits so you can just sit back and enjoy them. Once we have reviewed them all on the slideshow, we'll go through and narrow down your favorites. Our clients always joke that they don't know how they're going to choose because they love them all! We think that's a good problem to have.

Once we've narrowed the images down, we'll figure out if you'd rather order your photos in an heirloom box or in a designer album. Our albums are very popular for boudoir! We also have wall canvases that are perfect for hanging in the bedroom, in the walk-in closet, in your master bath, in his workshop, etc. Most of our clients get their photos in an album along with one or more wall canvases to display privately. Other print offerings are stunning pin-up calendars, fun retro-wheel viewers, metal prints, and more!

WE'LL PLACE YOUR ORDER THAT DAY AND SEND YOU AN EMAIL WITH ALL THE DETAILS.

An email will be sent to you that includes your order information, and when your photo order will be ready.

Did you know that you'll get your order in 3 weeks or less once it's paid for in full? That's super-fast, and our clients LOVE it!

We can even speed up some orders for a fee if rush gifts are needed. Just let us know ahead of time.

QA

Q: I'M NOT A LINGERIE TYPE GIRL. CAN I STILL DO BOUDOIR?

A: Absolutely! Lingerie is not the only way to look and feel sexy. You can do a boudoir shoot wearing a dress, robe, t-shirt, button-up, etc. Let us know if you are interested in a more in-depth wardrobe consult.

Q: I'M NOT SURE I FEEL COMFORTABLE SPENDING MONEY ON MYSELF.

A: I totally understand. That's why we offer payment plans to make a boudoir portrait experience manageable for any budget. This is an experience that you will cherish for your lifetime, and you'll be able to look back at your pictures and cherish the memories and the experience for years to come. Would you like me to explain how that would work for you? hello@lashesnkurls.com

Q: WHAT IF I DON'T LIKE MY PICTURES?

A: After photographing women for over six years, I'm confident that you will be thrilled with the finished product. However, if for any reason you're unsatisfied, you may opt-out of purchasing your photos. The deposit is non-refundable.

Q: DO YOU INCLUDE HAIR EXTENSIONS?

A: If you'd like hair extensions, you'll need to arrive with them in, and your hair artist will style them in with your natural hair. Please notify us ahead of time if you plan on hair extensions. They do require extra time.

Q: CAN I JUST GET THE DIGITALS?

A: The corresponding digitals come with any collection you purchase. You may opt-out of the product for just the files, but the price will remain the same.

Q: CAN I BRING SOMEONE TO THE VIEWING?

A: Yes, you may bring up to 3 people with you to the viewing. Please note that we do one viewing session 90 minutes following your shoot, so be sure they know to be on time.

Q: AFTER MY ORDER IS PLACED, WILL I BE ABLE TO PURCHASE MORE FROM THAT SHOOT IN THE FUTURE?

A: Yes. We store all of your photos, so if there is ever one you want to purchase again, you will be able to. Keep in mind, it is always best to order what you really want right away.
